

## **Basketball in the Community Policy: Registration/Licence**

1. All players' who register/licence with Basketball England through Basketball in the Community are not permitted to play for any other club. If you do so you are in breach of the Basketball in the Community policy and therefore will not be able to play for Basketball in the Community from then on and in the future.
2. Permission will have to be granted in writing by the Director of Basketball in the Community (Dean Rosembert) if a player wanted to play for another Basketball club in a game or a tournament
3. All players must adhere to the Basketball England Code of conduct and Ethics
4. Basketball in the Community will hold the licences for all players'
5. If another coach approaches a player or player from another team in order to poach them, they must let the Director of Basketball in the Community know ASAP.
